LAKE SONOMA WINERY 2008 ALEXANDER VALLEY CABERNET SAUVIGNON

Wine Description

A structured but fruit-forward wine, this Cabernet Sauvignon has the ripe tannins and concentrated berry flavors associated with Alexander Valley fruit. Bright acidity and notes of toast, spice, graphite and bay leaf add complexity and length.

Winemaker Notes

The grapes for this wine were crushed and fermented warm. The juice was then pumped over to ensure regular skin contact. The wine was pressed off the skins at dryness and allowed to settle in a stainless steel tank. It was then racked to 60 gallon French, Eastern European and American oak barrels and aged for 28 months.

Food Recommendations

This rich Cabernet is the ideal partner for grilled and roasted meats or for savory mushroom dishes.
